**Piedmont Natural Gas Company, Inc.**  
**COVID-19 Revenue Impact, Cost and Savings Report through November 30, 2021**  
**PSCSC Docket No. 2020-106-A**

Piedmont Natural Gas Company, Inc. (“Piedmont” and “the Company”) provides this quarterly Report of Revenue Impact, Cost and Savings pursuant to the Commission’s Order No. 2020-372.

**I. Revenue Impact**

Piedmont’s rates to recover its cost of service assume certain amounts of throughput. That throughput has been negatively impacted by the pandemic. Net throughput and revenue losses through November 30, 2021 are estimated as follows. The estimated revenue losses for the sale and transportation of gas is shown net of associated gas costs recovered by Piedmont through its GCRM.

**(in thousands)**

<b>Customer Group</b>	<b>Est. Throughput Losses (dts)</b>	<b>Est. Gas Sales &amp; Transportation Revenue Losses (net of gas costs)</b>
Residential Service	(311)	(\$1,200)
Small General Service	(355)	(\$1,100)
Medium General Service	(41)	(\$100)
Large General Service	(700)	(\$385)
<b>Total</b>	<b>(1,407)</b>	<b>(\$2,785)</b>

**II. Incremental COVID-19 Costs and Savings**

Through November 2021, the Company has experienced incremental costs related to protecting employees and customers during the pandemic and ensuring continuity and quality of service to customers in a safe manner. These costs are described further below:

- **Waived customer fees:** On March 21, 2020, the Company waived all late-payment charges, return check charges, and reconnection fees. These fee waivers were discontinued beginning in October 2020.
- **Bad debt/customer charge-offs:** In order to protect customers that are expected to be impacted by the economic downturn of the pandemic, no disconnect for non-payment orders were implemented by the Company beginning March 13, 2020. This suspension of disconnect orders was in effect through November 3, 2020. The resulting increase in customer balances and the challenging economic environment are expected to impact customers' ability to pay utility bills. The Company will continue to monitor this impact.
- **Employee stipends:** Certain eligible employees received a one-time cash payment of \$1,500 in March 2020 to help with unplanned expenses associated with COVID-19.
- **Employee safety-related costs, including costs for remote work:** The Company has provided, and will continue to provide, employees with the appropriate personal protective equipment to facilitate the continuation of work for customers in a safe manner. Piedmont has also incurred incremental costs associated with cleaning supplies, health care, as well as testing and temperature checks. In order to facilitate employees working remotely to protect their health and safety during the pandemic, the Company has also incurred incremental costs associated with expanded conference line capacity, increased network bandwidth, other required information technology improvements, expanded video conferencing licenses, and increased Company cellular telephone and data usage.

In addition to these expenses, Piedmont has included below certain estimated savings through November 2021 directly related to COVID-19 from reduced employee expenses due to travel restrictions and postage/print savings due to not sending disconnect letters.
